

December 18th, 2025.

The Registrar,  
University of Abuja,  
Abuja, Nigeria.

Dear Sir/Madam,

### **APPLICATION FOR THE POSITION OF ASSISTANT LECTURER (CHEMISTRY)**

I am writing to formally apply for the position of Assistant Lecturer in the Department of Chemistry at the University of Abuja. With a strong academic background in Chemistry and extensive teaching and laboratory experience, I am confident in my ability to contribute meaningfully to the university's mission of academic excellence and research advancement.

I hold a Bachelor of Science (B.Sc.) in Chemistry from the University of Abuja, a Postgraduate Diploma in Education (PGDE) from the University of Lagos, and a Master of Science (M.Sc.) in Environmental and Analytical Chemistry from Redeemer's University. This academic journey has provided me with both subject expertise and pedagogical skills essential for effective teaching and mentoring students at the tertiary level.

Professionally, I have served as a \*Chemistry Teacher\* in both public and private colleges, where I developed and delivered engaging lesson plans, supervised laboratory sessions, and guided students toward academic success. Additionally, my role as a \*Laboratory Assistant at Redeemer's University\* provided me with hands-on experience in laboratory management, safety protocols, and research support—skills that are essential for fostering a practical learning environment in higher education.

A passion for teaching, research, and student mentorship has driven my career. I am particularly interested in advancing research in **Environmental and Analytical Chemistry**, and I am eager to collaborate with colleagues to produce impactful publications and contribute to the university's reputation as a hub of innovation and scholarship.

I am confident that my academic qualifications, teaching experience, and commitment to excellence make me a strong candidate for this role. I would be honoured to bring my expertise and dedication to the University of Abuja, and I look forward to the opportunity to contribute to the department's growth and success.

Thank you for considering my application. I am available at your convenience for an interview and can be reached via phone or email.

Yours faithfully,

Johnson Biola Oyetunji
